- Tree limbs and brush pick up will be on Monday's
- Items must be out by 7:00 a.m. the day of pick up and may not be placed out any earlier than 24 hours prior to the scheduled pick up.

Large Item Pick Up Summary

In an effort to maintain the beauty of our City, the City of Cody will begin its ninth season of the Large Item Pick Up (LIP) and Tree and Brush Removal Programs. The programs begin November 1 and will end March 31.

The LIP program was enacted in 2008 to allow more time for the Public Works and Parks Departments to begin making nec-

essary Spring repairs, as well as time to work on larger projects that can only be done during the warmer Summer months.

Many communities offer similar services to keep their community clear of unsightly items residents are unable to haul to the landfill. A few of these communities include Denver, Colorado; Helena, Montana; Bozeman, Montana; and Albuquerque, New Mexico. A fee

is often assessed with these services, however, the City of Cody will not be charging a fee for these services at this time.

It is our hope that providing these services will aid in keeping our alleys and streets free of unsightly debris as well as to provide a helpful service to the City of Cody residents.

Program Details

Between November 1 and March 31 Cody's residential customers may call the City at 587-2958 or 527-7511 to request the pick up of items that cannot be placed inside a dumpster or rollout. In order to make these programs successful, there are a few guidelines that must be followed:

LIP item pick ups will be scheduled on Thursdays and Tree and Brush pickups will be scheduled on Mondays. **Each resident will be allowed one pick up per month per address. LIP pick ups do have a limit of 2 cubic yards per pick up.**

Items must be placed on the street next to the curb in front of your residence. Items cannot block any

other resident's driveway or impede traffic.

For residents who do not have curb and gutter, items may be placed at the edge of the pavement.

Residents whose property does not abut a City street may call 587-2958 for instructions on where to place items.

All items must be stacked separately and set out before 7:00 a.m. on the scheduled pick up day and must not be set out any earlier than 24 hours prior.

If you have a question about whether or not the item you have is accepted (a list of acceptable items is on the next page) please call and inquire. If it is not accepted, alternative methods of disposal will

be provided.

In the event of a large winter storm or other emergency, every effort will be made to pick up items on the scheduled day, however the pick up may be rescheduled for the following week.

Trees and Brush

This program will be handled separately from LIP. From November 1 through March 31 residents will be able to request the pick up of material less than 10" in diameter. *Details are listed on the next page.*

Accepted Large Item Pick Up Items - *All items must be stacked separately.*

- Furniture
- Appliances (Freon must be properly removed and the unit tagged as such.)
- Push Mowers, Roto-tillers, Garden or other small motorized machinery (oil and gas must be removed)
- Barbeque Grills (propane tanks must be removed)

Alternative Methods of Disposal

Some of the items that will not be picked up are listed below, along with suggestions on the proper method of disposal. This is not a complete list and the City has the discretion to reject certain items if it is determined the items are too large, unsafe or may be placed into a dumpster.

Unaccepted Items

Items from Commercial Business

Chemicals and Hazardous Waste

Oil and Batteries

Tires

Leaves/Grass Clippings

Straw/Hay/Animal Bedding (baled or loose)

Items Containing Freon

Soil, Sod, Rocks

Household Trash

Landfill \$50/ton

Contact a metal recycler or the Freon must be properly removed.

Landfill

Garbage Receptacle or Landfill \$78/ton

Landfill \$55/ton

Landfill, free as long as it is clean.

Contact a scrap metal recycler.

Landfill

Haul to landfill-\$78/ton (shingles and sheetrock are \$55/ton) -or contact a contract hauler

(Includes; carpet, cabinets, lumber, doors, windows, showers, tubs, toilets, sinks, shingles, sheetrock, siding, concrete, fence posts, fence poles, fence slats, chain link and all other items commonly associated with fencing, remodeling, building and construction in general.)

Trees and Brush

From November 1 through March 31 residential customers who have tree limbs (less than 10" in diameter) and brush piles to dispose of may contact the City at 587-2958 or 527-7511 to schedule a pick up of these items. This material will be chipped and used in the City's landscaping of parks and public facilities. **Trimming from work done by a commercial contractor, lumber, and other debris are NOT accepted.**

Tree limbs and brush must be stacked, on the street, along the curb and gutter, in an orderly fashion with all cut ends facing the street. **Each pick up is limited to piles that are no larger than 8'Wx10'Lx10'H.** Brush and limbs should NOT be tied together. All limbs and brush must be out before 7:00 a.m. on Monday. Please ensure that there is adequate parking space on either side of the brush pile. **Removal of materials over 10" in diameter is the responsibility of the property owner.**
