Christmas Tree Recycle

**Mulching of Christmas Trees
Saturday, January 10th**

Please drop-off trees by the afternoon of January 9

**East Sheridan Softball Complex Area [Directly east of the Softball Fields]
3708 Sheridan Avenue -- Cody**

Rotary Club, with the support of the City of Cody, coordinates the mulching of Christmas trees in January. The mulch is then placed in a convenient area for use by Cody residents FREE of charge. Signage will be placed at the site to direct people to the drop-off area. Questions, please contact: Barry Reiswig [Rotary] at 307-690-9713 or Ryan Selk [City of Cody Parks Supervisor] at 307-899-0449.

Snow & Ice Control Plan

To view the entire Snow & Ice Control Plan Brochure and Winter Tips & Snow Removal Map go to <http://www.cityofcody-wy.gov/index.aspx?nid=209>

Cody's Snow and Ice Control Plan is designed to keep traffic moving through and within the City as safely as possible during inclement winter weather. Snow plowing services are prioritized in three routes for emergency accesses and major arterial streets, minor arterial and collector streets, and all other residential streets.

Plowing operations are usually ineffective until three to four inches of snow accumulates. Until this depth is reached, truck mounted sanding units maintain all priority routes. A sand and salt mixture is applied on hills, curves, signalized intersections and other known hazardous locations.

The City also clears the snow from all City-owned parking lots and sidewalks. The clearing of sidewalks adjacent to private property is the responsibility of the owner, agent or occupant.
