Letter of Recommendation for Jason Hatton

To whom it may concern, I have had a tree trimming business in Cody for 26 years and throughout this time Jason has worked with me periodically. During our work tenor Jason has always been punctual with an eye for completion of a job in a timely fashion with the objective of quality. Whether landscaping or construction oriented we have always had an excellent rapport or with continued, repeated business. Repeat business has always been a key in success and I strongly recommend Jason as a high quality worker with a conscience. If you would like to discuss any of these topics with me please feel free to call. (307)-250-0513

Dear City of Cody:

Jason Hatton and I have worked together since 2010, and I will quickly state that I cannot say enough good things about him. After working with Jason as a sub-contractor, I instantly grew respect for him as a carpenter and drywall/sheeting specialist, as he treated each job with care and helped me keep my projects on time and in budget. Jason is an expert on interior surfaces and finishes and has made a life career of mastering the art of home building. Mr. Hatton is very diligent and efficient, and is always striving to find the “best” way to do whatever the task. He is one of the most dedicated and hard-working individuals I have known. Jason is a great asset to the guild of builders that is working to make the City of Cody a great place to live!

Sincerely,

Jeff LaMascus

To Whom It May Concern:

Re: Jason Hatton

Please consider this a letter of recommendation on behalf of Jason Hatton. I've had the pleasure of having Jason work on Jerry Thiel & Sons Construction jobs periodically over the past thirteen years. In that time, he has demonstrated professional skills and ethical qualities that I feel make him more than qualified to be a licensed drywall contractor.

Jason has strived to be accommodating and prompt in his service with our company. In addition, he is very consistent on delivering quality workmanship; paying extra attention to details. I feel that he would be a great addition to the Class C contractors list and I would highly recommend that Jason be approved for that license.

If I can be of further assistance, please do not hesitate to contact me. Thank You.

Sincerely,
